Agri-food #MadeInCK Spotlight: J&E Meat's located in Croton offers farm-raised meat products (fresh and frozen) at their modern retail store location and available for delivery. Aside from meat products there is also a variety of local Chatham-Kent vendor products from sauces, spices, dairy, cheese and more. Did you know all of their animals are grown and raised locally on-site at their farm property including the food that they eat which ranges from local grown hay, corn and crops. For further details please visit: J&E Meats (<https://lnkd.in/gwh725N>)

If you manufacture, make, or produce a local product in Chatham-Kent, please contact ckeds@chatham-kent.ca to get in touch with one of our Economic Development staff to discuss the potential of a #MadeInCK business spotlight.

Be sure to follow our social media channels for future #MadeInCK business spotlights, which will raise awareness by highlighting what you do, and is a great way to illustrate your business' local or global impact, foster supply chain connections, and demonstrate your advancements in technology.
